

Education Technology Leasing and Financing

FROM TRINITY3 AND INGRAM MICRO

Educational institutions continue to integrate technology into student experiences, but the cost to implement optimal solutions can be a hurdle. Leasing and financing provides schools with the flexibility to acquire the technology they need, today.

- 1 to 1** One-to-One Implementation
- BYOD** Devices, Networking & Security
- Interactive Whiteboards & Displays
- Servers, Infrastructure & Software

TECH REFRESH

Keep your technology up to date by easily adding or upgrading equipment at the end of term with a Tech Refresh program.

90 DAY DEFERRED PAYMENTS

Defer your first payment for up to 90 days to ensure that your technology solution is in place before students arrive for the upcoming school year.
