Who we are

(99 words - 616 characters with spaces)

Trinity3 Technology is wholly immersed in the K-12 and higher education marketplaces. When we formed Trinity3 we assembled some of the best technical, service and sales professionals in the industry. Our team has over 100 years of experience working in the education technology space and we understand the unique needs you have delivering technology to the students and staff. Our focus on the education marketplace drives the products and services we offer. For years our work with educational institutions has taught us that not only are the product needs of schools unique but the services they require are too.

Our People

(95 words - 574 characters with spaces)

What makes Trinity3 Technology unique is not just the products and services we offer but the people who stand behind them. Each member of our team shares the same motto, "With Trinity3, it's personal." To us, every relationship matters, every order matters, every time we interact with you we make the personal investment to understand how we can add value. We will listen and propose the optimal products and services to maximize both your budget and the technology products purchased. It is this personal care that garners us the highest customer loyalty in the industry.
